Below the plan SLA but at least 99.0%	10% of the monthly plan fee
Below 99.0% but at least 95.0%	25% of the monthly plan fee
Below 95.0%	50% of the monthly plan fee

Credits must be claimed within 30 days of the end of the affected month. Starter plan customers are covered by the SLA but credits are capped at 10%.

5. Free trial

New customers can try the Growth plan free for 30 days. During the trial, Brindlewave loans up to 20 TT-200 tags and one hub; loaned hardware must be returned within 14 days of the trial ending or it will be invoiced at list price.
